## Macy Gray

When they come like left for day  
i bet not in my head  
and now i wanna be bigger, bein' here with you  
it's not so hard to be  
i can see in my dream, i know i'm gonna be better  
my friends alway say my friends alway say.ey.ae.  
that every thing will be ok  
but it don't always work out that way  
show in my famagam'  
me living in, cuz i'll remember when baby  
i am., the top of my life  
everything is right, with you  
after all that i'd been through(yeah)  
i ain't try to loose  
this times of my life, with you  
baby i am  
You'll say i'm outta line  
so much on my mine  
like i wanna be bigger  
sometimes it don't rhyme  
but when you're here with me(here with me)  
i have all the tree(all the tree)  
i know i wanna be better  
my friends alway say  
One day they will see  
it'll shine on at me  
finally see me smile, hear me laughing(at last)  
at last you'll be rehurt  
cuz long long time upserve  
now hope you hear  
baby baby i am...I am..., the top of my life  
top of my life, with you  
baby take my hand  
cuz i wanna go on two  
this time of my life, with you  
baby

Repeat till fade.
