

Struggle

Keith Richards

Understanding the meaning of struggle
Giving your whole life to a single passion

Which others may or may not
Consider obsolete
Like a rare flower

Seen by a few before it withers and dies(before it withers and dies)Seeing it all

All the way through the very end
Regardless

A full stop followed by an exclamation mark
Written in your flesh and blood
Getting knocked down every time

Getting knocked down every momentyou get up - until you love getting up
I know what you've been going through
I've been there too

God knows I've been pushing hard Pushing so damn hard -I've forgotten what the hell I'm even -Pushing for
Recognize it when it happens to you

Learn to recognize it and know what to do
Stop clinging on, let go, own nothing

Do it out of love
Do it out of love
Words cannot substitute
Losing everything
Losing your home
Losing your money
Your dignity

Losing your mind - your beliefs, ideals

Then and only then
When everything is gone
You no longer care

Your soul standing naked and bare

Stripped down to the truth
Then you'll find everything
On heaven and earth
On heaven and earth
On heaven and earth
The struggle is long
The struggle is hard
The struggle is beautiful
