

# Hot Head

## Captain Beefheart

She can burn you up in bed just like she said  
Cause she's a hot head, hot head, hot headShe can boil a pot a' joe, she can start a pile a' dough, she's a hot  
headShe puts your head into the fire, makes your red-hot perspire, she's a hot headShe was burned before she  
was born, burnin up a storm, she's a hot headLick out like a flame, and burn you to a shame  
Bite a burnin flameShe's a hobo wire-toaster  
She's a circle on a spit (Sssss!)She can stick you to a wheel  
Baste you to a fire  
Spin you round and round  
Boil your britches down  
(Fire, fire, fire!)She can burn you up in bed, she can boil you up instead, she's a hot headShe can lick out like a  
flame, burn you to a shame
