

# You Just Sing Along

## Guy Leroux

Hearts desire  
Standing there  
Steal a glance  
Hold a stare  
What you want  
No one knows  
Whisper it  
Don't tell a soul

Innocence  
Better Sense  
Nervousness  
Confidence  
Breathe it in  
Then let it go  
Let it go  
Just let it go...

They can't hear us  
Let's just sing along

Beautiful  
Skeptical  
Breaking down  
On me now  
Feel a kiss  
Through the air  
Watch the world  
Dissappear

Elegance  
Violence  
Harmony  
Dissonance  
Breathe it in  
Then let it go  
Let it go  
Just let it go...

They can't hear us

Let's just sing along

I know, I know, I know,  
We're gonna make it  
I know, I know, I know,  
We're gonna get along  
I know, I know, I know,  
We're gonna find it  
I know, I know, I know,  
It won't be long...

Everything  
Dangerous  
None of this  
Making sense  
Spin around  
Present tense

Brooklyn Bridge  
Don't forget  
Just this once  
Make it so  
Far enough  
I don't know  
Breathe it in then let it go  
Let it go  
Just let it go...

They can't hear us  
Let's just sing along

I know, I know, I know,  
We're gonna make it  
I know, I know, I know,  
We're gonna get along  
I know, I know, I know,  
We're gonna find it  
I know, I know, I know,  
It won't be long...

I know it won't be long...  
I know it won't be long...
