

# Catch 22

Terri Clark

A farmer on a tractor plowin' in the field  
Doin' all he can to increase the yield  
But the more he raises  
The more the price goes down  
Over at the factory  
Workin' on the line  
You do a good job  
And never fall behind  
So your quota goes up  
Every time you turn around  
Well it ain't nothing new  
It's called a Catch-22  
Heads they win, tails you lose  
It's all the same either way you choose  
You're damned if you don't and even if you do  
It's still the Catch-22  
Tell a man you love him  
He starts backin' up  
Tell him you don't  
And he's a lovesick pup  
You try to get together  
And watch it fall apart  
Hey, I've been there too  
What a Catch-22!  
Heads they win, tails you lose  
It's all the same either way you choose  
You're damned if you don't and even if you do  
It's still a Catch-22  
Heads they win, tails you lose  
It's all the same either way you choose  
You're damned if you don't and even if you do  
It's a Catch-22  
Oh, it's a Catch-22  
No matter what you do  
It's a Catch-22
