

# Lose My Mind

## Janine and the Mixtape

You're, you're, you're gonna make me lose my  
You're, you're, you're gonna make me lose my  
You're, you're, you're gonna make me lose my  
You're, you're, you're gonna make me lose my  
You're, you're, you're gonna make me lose my  
You're, you're, you're gonna make me lose my  
You're, you're, you're gonna make me lose my  
You're, you're, you're gonna make me lose my

You're gon' make me lose my mind  
Up in here, up, up, up in here  
You're gon' make me act a fool  
So uncool, so uncool

And tellin' me you love me, but you got a new girl  
And I know it's my fault, I'm lovin' in a different world  
But baby if you want this, you just let me know  
So I don't go find another, so I don't just let go  
Baby you're my soul, you make me feel whole  
And it's cold outside, rainy, oh rainy night you might  
And all I want is you, tell me what we're gonna do  
This waitin' game doesn't work, waitin' game doesn't work  
Fuck each other, each other over  
Fuck each other up over again  
Now I, over again, over again  
Over again

You're gon' make me lose my mind  
Up in here, up, up, up in here  
You're gon' make me go all out  
In here, in here  
You're gon' make me act a fool  
In here, in here  
And you're gon' make me lose my cool
