

I Know What I Am

Band of Skulls

High ho, triple sow cow
I got a feeling like I'm tired of the flow
But I know what I am
They know what they are
So let me beGasoline, suck her in
I got no reason for the state I'm in
But I know what I am
They know what they are
So let me beHotel, Taco Bell
I got the hit that you know damn well
But I know what I am
They know what they are
So let me beCut, tease, better believe
I got the feeling that I'm underneath
But I know what I am
They know what they are
So let me beBut it's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I got the time but the time don't payIt's alright, it's okay
I got the time but the time don't pay
It's alright, it's okayFlip flop, no stop
I got the wit that my enemies lack
But I know what I am
They know what they are
So let me beTrick some, just begun
Giving you more when you only want one
'Cause I know what I am
They know what they are
So let me beHot, sweat, got debt
Keep looking in the locker 'cause you don't know yet
But I know what I am
They know what they are
So let me beShip shape, ticker tape
Looks to me like a narrow escape
But I know what I am
They know what they are
So let me beBut it's alright, it's okay
I got the time but the time don't pay

It's alright, it's okay
I got the time but the time don't payIt's alright, it's okay
I got the time but the time don't pay
It's alright, it's okayI know what I am
They know what they are
So let me beI know what I am
I know what I am
They know what they are
So let me beI know what I am
I know what I am
They know what they are
So let me beI know what I am
I know what I am
They know what they are
So let me beI know what I am
They know what they are
So let me beI know what I am
They know what they are
So let me beI know what I am
They know what they are
So let me be
