Stained and Lit

Red Red Meat

Frozen in your headlights, glowing red
She knows you'll wait in the bruise, colored pale
Wet your mouth and lie to meBlurry around the edges
Panic in the weather
Stained and lit you had meHollow fried and neon drain
It's a crawl the day before
Humming for your Sunday driver
Hesitation sickness teaseBlurry around the edges
Panic in the weather
Stained and lit you had me
