Dreaming

Mayer Hawthorne

I had a dream today
Somewhere I?ve never been before
An old familiar face
One that I swear I?ve seen before
And I think I?m going crazy
Yes I think I?m going crazy
But I known, all along
But there?s no restitution for what we?ve done
No resolution and I
I just can?t take it anymore
I had a dream today
That California sank below
And along the way
They watched their favorite TV show
The suns were all around
The golden gate was broken down
How heavy is the hail
But where?s that old and faithful from
And I think I?m going crazy
Yes I think I?m going crazy
Because I known, all along
That there?s no restitution for what we?ve done
No explanation and I

I just can?t fake it anymore
Bubububababa
Bububababa
Badom
Things will never be lonely
Bubububababa
Bububababa
Badom
Things will never be lonely
Who knew the sun wont shine
Could be so detrimental
I had a dream today
That boxatony traveled round
At much to there dismay
They saw a shadow on the ground

And I think I'm going crazy
Yes I think I?m going crazy
Because I've known, all along
But there?s no restitution for what we?ve done
No substitution and I
I just can?t take it anymore
I had a dream today
Somewhere I?ve never been before
