Sucker Punch

Amber Garsia

You and me ...

3 words please define with closed eyes hit rewind just take me back
Begging won't you let go? I am scared let's move slow, unprepared I can't relax.

Swear you're crazy
You want to love me
Just want to treat me right

You're the one pick me up lesson to be learned so lost scared to open up tell me will it hurt but you don't even care you don't even care

No time no defense came hard out the fence
Just like a sucker punch
Hit me like a sucker punch
No fight
No reward
I'm closed tight you're here to score with your sucker punch guess I'm just your sucker huh?

2 lips kiss it better
Soft grip
Say forever you are mine
Now you got me exposed
Sharing things so close
Fears and dreams now redefined

Swear you're crazy
You want to love me
Just want to treat me right

You're the one pick me up lesson to be learned so lost scared to open up tell me will it hurt but you don't even care you don't even care

No time no defense came hard out the fence
Just like a sucker punch
Hit me like a sucker punch
No fight
No reward
I'm closed tight you're here to score with your sucker punch guess I'm just your sucker huh?

No time no defense came hard out the fence
Just like a sucker punch
Hit me like a sucker punch
No fight
No reward
I'm closed tight you're here to score with your sucker punch guess I'm just your sucker huh?
