

Some of These Days

[Kevin Spacey](#)

Some of these days
You're gonna miss me, baby
Some of these days
You'll feel so lonely. You're gonna miss my huggin'
You'll miss my kissin'
You may even miss me, baby
When I'm gone away. You're gonna feel lonely
And want me only
'Cause you know, honey
You always got your way. Say baby if you really want me, oh yeah
You know it's gonna grieve me
You're gonna miss your boney little daddy
'Cause one of these a YEAH! Said some of these days (I'll do it, Sophie!)
You're gonna miss me honey
And I'm talkin' about da-a-ays
When you feel all blue. You're gonna miss my huggin'
You're gonna miss my kissin'
You may even miss me, baby
When I'm long gone away aI hope you feel lonely
And want me only
'Cause you know lover
Ya always had your way. And if-a you-a leave me
You know it's gonna grie-ee-ee-ve me
You'll miss-a your brown eyed daddy (Grab it now!)
Some of these daaaaaa-ays
