

# Living in a Lie

## Guano Apes

Don't give me names  
You've got it all, took it all from me  
Drove me insane  
Who'd come down to earth, releasing me  
Healing my wounds  
So why don't you close the door when you're leaving me  
Now you'll run  
Running all the way back to me again I'm not to end in shame  
To fight an endless lie  
I'm not to play a game  
I won't be on your side Found a way  
To reach myself again but all I saw was shame  
Drive me away  
There's something deep in me waiting to escape  
You think you know me  
So why don't you close the door when you're here with me I'm here to end the game  
I'm living in a lie  
It's hard to give the same  
I won't be on your side
