

Wake Up Alone (London 30-May-2007)

Amy Winehouse

It's okay in the day
I'm staying busy
Tied up enough so I don't have to wonder where is he
Got so sick of crying
So just lately
When I catch myself, I do a one-eighty
I stay up, clean the house
At least I'm not drinking
Run around just so I don't have to think about thinking
That silent sense of content
That everyone gets
Just disappears 'soon as the sun sets
He's fierce in my dreams, seizing my guts
He floats me with dread
Soaked in soul
He swims in my eyes by the bed
Pour myself over him
Moon spilling in
And I wake up alone
If I was my heart
I'd rather be restless
The second I stop, the sleep catches up
And I'm breathless
'Cause this ache in my chest
As my day is done now
The dark covers me, and I cannot run now
My blood running cold
I stand before him (before him, I)
It's all I can do to assure him (assure him)
When he comes to me
I drip for him tonight
Drowning in me, we bathe under blue light
He's fierce in my dreams, seizing my guts
He floats me with dread
Soaked in soul
He swims in my eyes by the bed
Pour myself over him
Moon spilling in
And I wake up alone
And I wake up alone
And I wake up alone

And I wake up alone
