ZOYA-Walking Into Heaven

Lyrics by: ZOYA

Verse:

Walking into heaven  
Looking for some love  
Don't know where I'm going  
Don't know where to look  
Tell me that you are there  
Tell me you exist  
Here I am standing  
As close I could be  
People all around me  
Time is running fast  
They all surround me  
Memories from the past  
Trying again to find you  
Somewhere close to me  
Come and get me baby  
Im just where I should be

Chorus:

Can you hear me  
Im calling for you  
Can you feel me  
Im the one touching you (2)

Verse:

We were talking  
We were walking  
Feeling different  
Inside my mind  
My heart is jumping when I think of you  
Its me standing behind that wall (2)

Chorus:

Can you hear me  
I'm calling for you  
Can you feel me

I'm the one touching you (2)
