

Would You Do It For Free?

Sammy Hagar

Would you do it for love?
Would you do it for pride?
If you gave it away
Would you be satisfied? On your hands and knees
When the price is right
Oh! You said you believe
But baby, would you stand up and fight? I think you better ask yourself
Before you criticize on me
Are you a victim of the system
Of the powers that be?
If there was nothing to gain Would you do it for free?
Would you do it for me? Give it away in the bedroom
What you sell in the streets
You spend a fortune on a rag
And strip it down to the beat I think you better ask yourself
Before you criticize on me
Are you a victim of the system
Of the powers that be?
If there was nothing to gain Would you do it for free?
Ask yourself would you do it for me?
Baby
Do it for free Are you in love with what you do?
Are you satisfied?
Is your heart straight and true?
Or did money make you tell a cold faced lie? I think you better ask yourself
Before you criticize on me
Are you a victim of the system
Of the powers that be?
If there was nothing to gain Hey, hey
Would you do it for free?
Yeah! Would you do it for me?
Do it for free
Do it for free
Baby, would you do it for free? Are you satisfied?
Don't tell a cold cold lie Do it for free
Do it for free
Do it for free Do it for free
Do it for free
Do it for free Do it for free

Do it for free
Do it for freeDo it for free
Do it for free
Do it, do it
Do it, do it for meGotta be in love
With what you doDo it for free
Do it, do it
Do it, do it
Do it, do it
