

# You Were There

## Babyface

Time passes, the world changes  
I'm still the same old kid  
And your jokes still bring me laughter  
As if you still were here And it hurts when I smile  
'Cause my heart still remembers  
When you were around 'Cause you were there  
When no one was  
Just when I thought nobody cared  
You showed me love 'Cause you were my friend  
You always told me  
And I am still here  
Because you were there So precious, small treasures  
A time when truth was innocent  
True friendship was all we were after  
A place where kids could still be kids And it hurts but I'm glad  
'Cause at least I was blessed  
To have you as my friend 'Cause you were there  
When no one was  
Just when I thought nobody cared  
You showed me love 'Cause you were my friend  
You always told me  
And I am still here  
Because you were there You're my best friend, yes, there are no accidents  
God has a plan for everyone  
And He brought you in my life  
To show me what a good friendship was 'Cause you were there  
When no one was  
Just when I thought nobody cared  
You showed me love 'Cause you were my friend  
You always told me  
And I am still here  
Because you were there You were there  
You were there  
You were there Because you were there  
Because you were there  
Because you were there
