

Sweat In Bullet (Demo)

Simple Minds

Airmobility
Dressability
Tranquil
You'll never meet again
Eyes small
Take another fine walk
Expose
Society can gain
Great face
White soul
Great place
Then say goodbye
You take a walk
Another fine walk
Mission
MotionRolling and tumbling
Ambition in motion
Rolling and tumbling
She's sweating bullets
Grow in size
Grow in fame
Grow more
Take more
Uncontrollable
UnworkableAirmobility
Dressability
Tranquil
You'll never meet again
Eyes small
Take another fine walk
Expose
Society can gain
Great face
White soul
Great place
Then say goodbye
You take a walk
Another fine walk
Mission

MotionRolling and tumbling
Ambition in motion
Rolling and tumbling
She's sweating bullets
Grow in size
Grow in fame
Grow more
Take more
Uncontrollable
UnworkableAirmobility
Dressability
C'est la vie
Inside
Your doing things
Making face
Making moves
You'll never do again
Great face
White soul
Great shame
Poison in your hand
Take a walk
Take another fine walk
Mission
MotionRolling and tumbling
