Weird Inside

Rak-Su

Never been the type of guy
like In emotion and barely can crack a smile
But, since you came up in my life
I don't want you to leave my sight
Never been looking for a ride or die
But girl I'm down to see you, down for life
Because I, your touch and a your lust and its got me caught up
And I don't know which ways a
And I feel so weird inside
Baby you blow my mind
You got me on cloud nine
And u can't explain what (huh), feels so weird inside
Baby you blow my mind
You got me on cloud nine
Oh booboo yeah (huh uhuh uh)
It's so weird inside
My whole compromised
And I can't lie I wanna with be a good guy
It's not in my nature not to disguise
How I really feel about you
Hoping this like dispise
But I know, what you need(what you need)
I know you are wanting me (wanting me)
With my heart on my sleeve (sleeve)
So I say girl never leave (leave, leave)
But I'm stubborn you see
Don't need to difficult a mission, you want me to achieve
But I can say that I want you (I want you)
I promise you from my heart I won't stray (won't stray)
I can't admit that I hurt you
I couldn't find the right words to say (right words to say)
I won't ever need anybody else
And I swear down that ain't a lie
But all these feelings inside my chest they just make me feel weird inside (insi-i-i-ide oo oo said I'm feeling so wierd inside)
And I feel so wierd inside
Baby you blow my mind
You got me on cloud nine
And I can't explain why (uh)

And I feel so wierd inside
Baby you blow my mind
You got me on cloud nine
Oh booboo yeah (huh uh uh)
I feel so wierd inside (inside inside)
I feel so wierd inside (inside inside)
