

Is There Anybody Lonely

Sir Charles Jones

There comes a time in every mans life
When he needs that special someone
And oh I been around the world looking, for my special someone
I'm singing this one for myself
And I'm asking is anybody here lonely?
Maybe one day, maybe one day I be with you

Is anybody lonely, anybody lonely, are you lonely
Cause I'm lonely too, maybe one day I be with you

I been alone for long time
Waking up by myself, cooking my own dinner
Washing my own clothes
Sometimes I lay in the bed at night
And I cry myself to sleep,
Asking the lord what I did wrong
I said "lord why am I alone"
So this one is dedicated, Especially for me
Is there any lady's out there lonely?
Is there someone for me

Is Anybody lonely, Are you lonely, cause I'm lonely too
Maybe one day I be with you, Oh yeah
Is Anybody lonely, anybody lonely, are you lonely, cause I'm lonely too
Maybe one day I be with you

She don't have to be a movie star
She don't have to be a fancy girl
Cause I see a woman for what she is inside
All I want is a good girl
And I promise, I promise, I promise
I be a real good man
I do all the things to show, how a good man understands
Cause right now, I'm lonely, lonely and I'm feeling blue
And if you feel the same way, maybe the woman can be you

Is anybody lonely? Are you lonely? Tell me, cause I'm lonely too
Maybe one day I be with you, you
oh oh oh oh
Are you lonely, cause I'm lonely too

Maybe one day I be with you, you, lonely

Yes, I am

I need a good woman to live my life with

Someone to hold me Wooooo

Anybody lonely, are you lonely, cause I'm lonely too

Maybe one day I be with you, I be with you

I need somebody to hold, somebody to kiss and make love to
