

Light On the Grave (Reprise)

[Jimmy Gnecco](#)

Where is your soul?
buried in all that was
calling your name
every end has a start
tearing as we fall apart
calling your name, calling your name
it's the light on the grave
the wind when you sway
said all you could but you won't make them change
care and you will live
share and you'll be comforted
with all you have to give
sparingly take
but love, love me with all your heart
and i will be brave, i will be brave
it's the light on the grave
the wind when you sway
said all you could but you won't make them stay
stay with me tonight
stay with me light
