

Just a Rolling Stone (Interlude)

Donnie Klang

Hey ey, oh oh, hey ey, oh oh If I had a dime for every girl I thought was fine
I would be a millionaire but I really don't care
What good is it if I'm alone, if I'm alone ? I guess I'm just a rolling stone, stone, stone
(Yeah yea, hey)
But you might be the one that I've been looking for
I guess I'm just a rolling stone, stone, stone
(Rolling stone, hey)
But you might be the one that I've been looking for If I had a dime to come around and change my life
(Change my life)
Let's call it a one trading, start it over again
Nobody wants to be alone
(Nobody wants to be alone)
To be alone I guess I'm just a rolling stone, stone, stone
(Yeah ey, hey)
But you might be the one that I've been looking for
I guess I'm just a rolling stone, stone, stone
(Oh no, no, no, hey)
But you might be the one that I've been looking for You might be the one
(Hey)
That I've been waiting for, waiting on all day
You might be the one
(Hey)
That I've been waiting for
You might be the one
To slow down a rolling stone, stone, stone
(Yeah ey, hey, stone) But you might be the one that I've been looking for
(Slow down a rolling stone)
Stone, stone, stone
(Yeah ey, hey, slow down a rolling stone, slow down a rolling stone)
But you might be the one that I've been looking for
Just a rolling stone Stone, stone, stone
(Yeah ey)
Stone, stone, stone
(Yeah ey)
