Holy God

Joann Rosario

Holy God we honor You
Holy God we bless Your name
Holy God we honor You
Holy God we bless Your nameLet Your Presence fill this place Mighty God
So that we can be changed by Your glory
As we humble ourselves under Your Mighty hand
Oh, be exaltedHoly God we honor You
Holy God we bless Your nameCome and drench our hearts with Your rain
As the Holy Spirit gives us power
We surrender everything to You, oh Lord
Be glorifiedHoly God we honor You
Holy God we bless Your nameBless the Lord, oh my soul
All that is within me bless His name
Bless the Lord, oh my soul
All that is within me bless His nameAll that is within me bless His name
