

Crystal

New Order

We're like crystal, we break easy
I'm a poor man if you leave me
I'm applauded then forgotten
It was summer now it's autumn I don't know what to say, you don't care anyway
I'm a man in a rage, with a girl I betrayed
(Just tell me what I've got to do)
Here comes love, it's like honey
You can't buy it with money, you're not alone anymore
(Whenever you're here with me)
You shock me to the core, you shock me to the core We're like crystal, it's not easy
With your love, you could feed me
Every man and every woman
Needs someone, so keep it comin' Keep it comin', keep it comin'
Keep it comin', keep it comin' I don't know what to say, you don't care anyway
I'm a man in a rage, with a girl I betrayed
(Just tell me what I've got to do)
Here comes love, it's like honey
You can't buy it with money, you're not alone anymore
(Whenever you're here with me)
You shock me to the core, you shock me to the core Keep it comin', keep it comin'
Keep it comin', keep it comin'
Keep it comin', keep it comin'
Keep it comin', keep it comin'
Keep it comin'
