

Do You Believe In Us

[Jon Secada](#)

I tremble inside just thinking 'bout the world around us
Sacred, cant help to wonder
Dont want any changes bout the way we feel do you know what I mean, oh
Catch me Im falling say its gonna be alright, its gonna be alrightI know that we belong, do you believe in us
Just give it half a chance
Yes our love will still be strong
Girl I believe in us Ill give you all I can, oh, ohTime has redefined the meaning of love
Love, the way we know it, love, the way we show it
I dont want any changes when it comes to you
I like us the way it is no matter what happens
Say its gonna be alright, its gonna be alrightI know that we belong do you believe in us
Just give it half a chance
Yes our love will still be strong
Girl I believe in us Ill give you all I canI dont want any changes
Forever aint long enough, baby
Nothing can change us
Say its gonna be alright, its gonna be alrightI know we belong do you believe in us
Just give it half a chance
Yes our love will still be strong
Girl I believe in us Ill give you all I canI know that we belong do you believe in us
Just give it half a chance
Yes our love will still be strong
Girl I believe in us Ill give you all I canI know that we belong do you believe in us
Just give it half a chance
Yes our love will still be strong
Girl I believe in us Ill give you all I can
