Do You Believe In Us

Jon Secada

I tremble inside just thinking 'bout the world around us

Sacred, cant help to wonder

Dont want any changes bout the way we feel do you know what I mean, oh

Catch me Im falling say its gonna be alright, its gonna be alrightI know that we belong, do you believe in us

Just give it half a chance

Yes our love will still be strong

Girl I believe in us Ill give you all I can, oh, ohTime has redefined the meaning of love

Love, the way we know it, love, the way we show it

I dont want any changes when it comes to you

I like us the way it is no matter what happens

Say its gonna be alright, its gonna be alrightI know that we belong do you believe in us

Just give it half a chance

Yes our love will still be strong

Girl I believe in us III give you all I canI dont want any changes

Forever aint long enough, baby

Nothing can change us

Say its gonna be alright, its gonna be alrightI know we belong do you believe in us

Just give it half a chance

Yes our love will still be strong

Girl I believe in us Ill give you all I canI know that we belong do you believe in us

Just give it half a chance

Yes our love will still be strong

Girl I believe in us Ill give you all I canI know that we belong do you believe in us

Just give it half a chance

Yes our love will still be strong

Girl I believe in us III give you all I can
