## Belly

Aah, aaa, aaa  
Aah, aaa, aaa  
Aah, aaa, aaa Covered in honey  
Showered in beer  
Now when you spin on your head like a monkey  
I won't see you  
(Aah, aaa, aaa) Sing a bad love song  
Loud in my ear  
So when you spin on your head like a monkey  
(Aah, aaa, aaa)  
I won't hear you I tame a bird  
To lie where you do  
Light on your arm and bring  
A wild gift  
(Aah, aaa, aaa)  
(Aah, aaa, aaa) I am my mother's child  
I let my fears run wild  
(Aah, aaa, aaa) Showered in honey  
(Aah)  
Showered in beer  
Now when you spin on your head like a monkey  
(Aah, aaa, aaa)  
I won't see you I tame a bird  
To lie where you do  
Light on your arm and bring  
A wild gift  
(Aah, aaa, aaa)  
(Aah, aaa, aaa) I send the light to shine on you  
I send the light to shine around you  
I send the light to blind you  
I am the light that shines on your eyes  
I am the light that blinds (I tame)  
I tame a bird  
(To lie)  
To lie where you do  
(Light on)  
Light on your arm  
(And bring)  
Bring a wild gift (I tame)

I tame a bird  
(To lie)  
To lie where you do  
(Light on)  
Light on your arm  
(And bring)  
Bring a wild giftAah, aaa, aaa  
Aah, aaa, aaa  
Aah, aaa, aaa
