

Into Ya

Jesse McCartney

[Chorus]

If you let me put it a little into ya
For so long I've been tryin' to get into ya
Let me in your brain I'll be in your heart
I'll be that good thing that you just can't put down

Get up in my canopy
Bring that over here girl and talk to me
While you're on your back I'ma touch you slowly
Keep you paralyzed so you barely move

Feel like I just struck gold you a fantasy
So tell me what's the business babe
Got me about to pop genie in a bottle
Let's make a toast 'cause I'ma cherish you

Now girl it's your turn to take the reins
Now show me what you're gonna do
'Cause girl I got your remedy

[Chorus: x2]

Do it do it do it
Again look at that

Baby your soft skin is every indication to me
That you need me to hold protect you from the cold
And then just sing you to sleep
I got so much left to give but I found a recipient
Yeah I can trust the two of ya
Everything they told me
Right before the sex with me

Now girl it's your turn to take the reins
Now show me what you're gonna do
'Cause girl I got your remedy

[Chorus: x2]

Can't put down girl get down

Help it's too late 'cause it's 'bout to go down
Can't put down girl get down
Help it's too late 'cause it's 'bout to go down

[Chorus: x3]

If you let me put it a little into ya
For so long I've been tryin' to get into ya
