Well I am on the prowl, baby
Looking for someone to satisfy my needs.
Some way, somehow,
I'm gonna find someone to spend some time with me.
I ain't looking, out forever, for some woman to treat a good man right.
You look so good, you got me thinking.
You might satisfy my soul tonight.
Theres no harm done, I know you're the one
You don't got to worry, no hurry.
The night's still young,
I'm just looking for some good clean fun.
I am looking for one woman,
Ain't always tryin' to put me down.
I don't want nobody,
Who's always givin me that same old run around.
I ain't leapin'. I'm just leanin',
Looking for that good kind thing.
I can tell by the way you're acting,
you know exactly what I mean.
There's no harm done, I know you're the one.
You don't got to worry, no hurry
The night's still young,
I'm just looking for some good clean fun.
I better slow down, I don't wanna move too soon,
I'm so confused, I don't know what to do.
Please don't think I am movin' in for the kill,
But if you don't want to love me somebody else will.
I better slow down, I don't wanna move to soon,
I'm so confused, I don't know what to do.
Please don't think I am moving out for the kill,
If you don't want to love me somebody else will.
There's no harm done, I know you're the one.
You don't got to worry, no hurry
The night is still young,
I'm just looking for some good clean fun.
Some good clean fun... ohh, baby.
Just looking for some good clean fun...
