I Like It

Gerry & The Pacemakers

Do that again
Kiss me once more
Forgot the wordsI like it, I like it
I like the way you run your fingers through my hair
And I like the way you tickle my chin
And I like the way you let me come in
When your mama ain't thereI like it, I like it
I like the words you say and all the things you do
And I like the way you straighten my tie
And I like the way you're winkin' your eye
And I know I like you, you know I like youDo that again
You're driving me insane
Kiss me once more
That's another thing I like you forI like it, I like it
I like the funny feeling being here with you
And I like it more with every day
And I like it always hearing you say
You're likin' it too, you're likin' it tooI'm askin' you
What do you wanna do?
Do you agree
That the world was made for you and me?I like it, I like it
I like the funny feeling being here with you
And I like it more with every day
And I like it always hearing you say
You're likin' it too, you're likin' it tooWhoa oh, I like it
Are you likin' it too?
