

Blind

Lifehouse

I was young but I wasn't naive
I watched helpless
As you turned around to leave
And still I have the pain I have to carry
A past so deep
That even you could not bury if you tried After all this time
I never thought we'd be here
Never thought we'd be here
When my love for you is blind
But I couldn't make you see it
Couldn't make you see it
That I loved you more than you'll ever know
When part of me died when I let you go Well, I would fall asleep
Only in hopes of dreaming
That everything would be like it was before
But nights like this
It seems are slowly fleeting
They disappear as reality is crashing to the floor After all this time
I never thought we'd be here
Never thought we'd be here
When my love for you is blind
But I couldn't make you see it
Couldn't make you see it
That I loved you more than you'll ever know
When part of me died when I let you go After all this why
Would you ever wanna leave
Maybe you could not believe it
That my love for you is blind
But I couldn't make you see it
Couldn't make you see it
That I loved you more than you'll ever know
When part of me died when I let you go That I loved you more than you'll ever know
When part of me died when I let you go
