

I Can't Be With You

The Cranberries

Lying in my bed again
And I cry 'cause you're not here
Crying in my head again
And I know that it's not clear
Put your hands, put your hands
Inside my face and see that it's just you
But it's bad and it's mad and it's making me sad
Because I can't be with you
Be with you, be with you
Be with you, be with you
Be with you, be with you
Baby, I can't be with you
Thinking back on how things were
And on how we loved so well
I wanted to be the mother of your child
And now it's just farewell
Put your hands in my hands
And come with me, we'll find another end
And my head, and my head on anyone's shoulder
'Cause I can't be with you
Be with you, be with you
Be with you, be with you
Be with you, be with you
Baby, I can't be with you
'Cause you're not here, you're not here
Baby, I can't be with you
'Cause you're not here, you're not here
Baby, still in love with you
Still in love with you
Still in love with you
Still in love with you
Still in love with you
Still in love with you
Still in love with you
