

Never Had Nobody Like You (feat. Zooey Deschanel)

M. Ward

Well, since time I had a mind, I been lazy
And times before that I was cruel
And times before that I was lean, I was mad
Honey, I ain't never had nobody like you
And the times before that, well, I was crazy
I saw the dark side of the moon
And the stars in the sky, they never caught my eye
'Cause I ain't never had nobody like you
I ain't never had nobody like you
Now it's just like A B C
Life's just like 1, 2, 3
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, ah, oh
I watched my own habits die and it's painful
Sometimes it's painful in the light of the truth
But you can be faster than light, now, I wanna thank you tonight
Honey, I ain't never had nobody like you
I ain't never had nobody like you
Now it's just like A B C
Life's just like 1, 2, 3
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, ah, oh
I trusted liars and thieves in my madness
Honey, I was wasting away in the room
But now that I been through that hell I got a story to tell
Honey, I ain't never had nobody like you
I ain't I never had nobody like you
