# Rock And Roll Creation

## Spinal Tap

When there was darkness
And the void was king
And ruled the elements
When there was silence
And the hush was almost deafening
Out of the emptiness
Salvation, rhythm, and light, and sound
'Twas the rock and roll creation
'Twas a terrible big bang
'Twas the ultimate mutation
Ying was searching for his yang
And he looked, and he saw that it was good
When I'm alone beneath the stars
And feeling insignificant
I turn within to see the forces that created me
I look to the stars
And the answers are clear
I look in the mirror and see what I fear
Tis the rock and roll creation
Tis an absolute rebirth
Tis the rolling of the ocean
And the rocking of the earth
And I looked, and I saw that it was good
