

# When I Die

## No Mercy

Forever and always  
When I die, I'll keep on living for you You give me strength when I start to worry  
You lift me up when I'm feeling sorry  
You're building me up with love and affection  
When I'm in danger, you're my protection And I'm the one you can depend upon  
I'll always treat you right, never do you wrong  
Just feel the love burning inside of me  
It's gonna last for eternity For eternity, for eternity  
'Cause baby, I love you, ooh  
Baby, I need you, yes, I do And when I die, I keep on living  
You'll always have my love seeing you through  
I'll be your angel up in heaven  
Forever all my love will shine on you 'Cause baby, I love you, ooh  
Baby, I need you, yes, I do Are you that someone you can believe in?  
No one can take away what we're feeling  
Our love is strong, it goes on forever  
No one will ever love you better And when they moan, I'll still be true to you  
The seed of love lives inside of you  
I'll be your angel up in heaven  
And all my love will shine down on you For eternity, for eternity  
'Cause baby, I love you, ooh  
Baby, I need you, yes, I do And when I die, I keep on living  
You'll always have my love seeing you through  
I'll be your angel up in heaven  
Forever all my love will shine on you 'Cause baby, I love you, ooh  
Baby, I need you, yes, I do And when I die, I keep on living  
You'll always have my love seeing you through  
I'll be your angel up in heaven  
Forever all my love will shine on you Baby, I love you, ooh
