Beautiful

Aaron David

What can I say that hasnâ€™t been said
What kind of song can I sing to so great a King as You
Iâ€™m humbled more than I can say

What kind of gift do I have to give
That hasnâ€™t been brought to Your throne
Itâ€™s my life alone in You
Iâ€™m giving You everything

And the beautiful thing is You loving me like You do
When my world is afire, You carry me higher
â€˜Til I see beautiful, You make it beautiful

With all that I am and everything inside of me
This is the road that I choose, to live life with You forever
â€˜Cause Youâ€™ve given me everything

And the beautiful thing is You loving me like You do
When my world is afire, You carry me higher
â€˜Til I see beautiful, You make it beautiful

Come the trials of a life untold
I will be with you in the midnight hour
And as the treasures of this life unfold
Iâ€™ll stand beside you with a love undivided

And the beautiful thing is that I donâ€™t even have to try
To be like somebody else, I can just be myself
And be Your beautiful, You make me beautiful

When my world is afire, You carry me higher
â€˜Til I see beautiful, Iâ€™m beautiful

When everythingâ€™s be said, and everythingâ€™s been done
Iâ€™ll still be your beautiful
