

# First Love

[Nikka Costa](#)

Everyone can see  
There's a change in me  
The all say I'm not the same  
Kid I used to be Don't go out and play  
I'll just dream all day  
They don't know what's wrong with me  
And I'm too shy to say It's my first love  
What I'm dreaming of  
When I go to bed  
When I lay my head upon my pillow  
Don't know what to do My First love  
He thinks that I'm too young  
He doesn't even know  
Wish that I could show him what I'm feeling  
Cause I'm feeling my first love Mirror on the wall  
Does he care at all  
Will he ever notice me  
Could he ever fall Tell me Teddy Bear  
Why love is so unfair?  
Will I ever find a way  
And answer to my pray
