

Die Tryin'

Chase Rice

Woaaah... woaaah... yeah...
I may not have you now, but I'll die tryin
To turn this thing around, baby I'm determined
Coz I f a man can walk on the moon all the way up in outer space
I can do this... all I need is one chance show you that miracles can happen everyday
Let me prove it coz I know right now you don't believe (in our love)
But I won't stop 'til I make you see
[Chorus (2x):](Coz for our love) I will die tryin
(for our love) I will die tryin
(for our love) I will die tryin
(for our love) tryin! (tryin)
I'm not very good when it comes to quitting
I know that I probably should surrender but my heart's still in it
Coz if a man could sail all around the world in just 80 days I know
I can do this... all I need is one chance show you that miracles can happen everyday
Let me prove it coz I know right now you don't believe (in our love)
But I won't stop 'til I make you see
[Chorus (2x):](Coz for our love) I will die tryin
(for our love) I will die tryin
(for our love) I will die tryin
(for our love) tryin! (tryin)
[Interlude:]For our love [3X] I'll die tryin
For our love [3X] I'll die tryin
[Chorus/Outro:](Coz for our love) I will die tryin
(for our love) I will die tryin
(for our love) I will die tryin
(for our love) tryin! (tryin)
