

# Be Careful

## Brooke White

One, two, threeI think about you far more than I think I ought to  
What in this world would I do if I didn't have you around?  
And I worry sometimes when I have to leave you behind  
You're always in the back of my mind and every sight, every soundSo all I wanna say to you is I'm afraid to  
lose the only one I care for  
So be carefulTo have to fend for myself wouldn't be good for my health  
I wouldn't do very well having to live without you  
So keep up your guard, look after your precious heart  
And every time that we are apart remember I'm with you, I'm with you
