

# I Got the Will

Dave Edmunds

My mama told me, the old sayin' is  
If there's a will, son there's got to be a way na, na  
Mama, I got the will but I can't find my way, now, no, no  
Let me tell you, man A girl I used to love but she left me  
I tried to get her back, she won't accept me, no  
But I got the will now, I can't find the way now, no, no This is what she told me now  
You got the will, son, you got the power now  
You got everything, Lord have mercy now Every second, baby, every minute, honey  
And every hour I'm always thinkin' of you now  
Mama, I got the will but I can't find my way now, no, no  
Let me tell you and You know I need you babe, oh, I really love you hone  
I really want you, I got to, got to see you na, na  
Mama, I got the will but I can't find my way now, no, no This is what she told me now  
You got the will, son, you got the power now  
You got everything, I said, Lord have mercy now Watch it now Baby, baby, you know I need you  
Baby, baby, you know I love you, honey, huh  
But I got the will now, I can't find my way now, no, no  
Let me tell you more My mama told me, the old sayin' is  
If there's a will son there's got to be a way na, na  
Mama I got the will but I can't find my way now, no, no This is what she said, she told me  
You got the will, son, you got the power now  
You got everything, you're gracious mighty no, no You got to help me mama, help me find my baby now  
You got to help me, baby, find my little mama na, na  
Lord have mercy, baby, meet my baby na, na, na  
You got the will, son, I got the power now Keep on searching mama, help me find my baby now  
I know she's happy mama, you got to help me find her  
Keep on searching, baby, got to find my baby now  
You got the will, son, you got the power now You got the will, son, you got the power now  
You got the will, son, you got the power  
You got the will, son, you got the power now You got the will, son, I got the power
