

Heart of a Hero

Cathy Heller

Heart of A Hero

So many times I chose to run
So many times I held my tongue
I held my tongue
Never saying what I needed too
Scared they walk away
And I would lose,
Yeah, I would lose
But now climb back in here to fight
Canâ€™t worry if Iâ€™ll be liked
Those games are old
Iâ€™ve had enough
I fall down, but I got right back up
Now I am stronger, stronger

Iâ€™ve got the heart of a hero
The strength of a lion
Iâ€™ll march like a soldier
Braver and bolder
I am gonna stand right here with nothing to fear
That faint heartbeat
Ringing in my ear

â€˜Cause Iâ€™ve got the heart of a hero
Iâ€™ve got the heart of a hero
(Iâ€™ve got the heart of a hero)

Who says I canâ€™t dance with fire
I know that Iâ€™m alive
And Iâ€™ll survive, Iâ€™m a survivor
I got the courage of a storm donâ€™t say that you werenâ€™t warned
â€˜Cause youâ€™ve been warned
Thunder roars in me like a battle cry
Now itâ€™s my time itâ€™s do or die

Iâ€™ve got the heart of a hero
The strength of a lion
Iâ€™ll march like a soldier
Braver and bolder

I am gonna stand right here with nothing to fear
That faint heartbeat
Ringing in my ear

~Cause I've got the heart of a hero
I've got the heart of a hero

No more war with myself
It's up to me and nobody else
I've got the heart of a hero
The strength of a lion
I'll march like a soldier
Braver and bolder
I've got the heart of a hero
The strength of a lion
I'll march like a soldier
Braver and bolder

I am gonna stand right here with nothing to fear
That faint heartbeat
Ringing in my ear
Cause I've got the heart of a hero
I've got the heart of a hero
