

Dirty Looks

The Boogiemmen Inc.

If we make love
Would it be a mistake?
But the aftermath
Be hard to take
For the knots we tied
Come undoneHave you heard?
Have you heard?
(Have you heard?)Have you heard?
Have you heard?
(Have you heard?)There's a man dressed up like an ancient bird
And he's setting his guitar
On fireEvery mutiny
Begins with the cooks
Every queen cheats on the king with the rooks
Every nuclear war begins with two
Dirty looksI know my shit from shinola
I'm tired of eating your stale grenola
And I... know a bloodbath when I see oneHave you seen?
Have you seen?
(Have you seen?)Have you seen?
Have you seen?
(Have you seen?)There's a man dressed up like a flaming queen
And he's helping San Francisco
Fall in loveEvery problem can be solved by burning books
Every saviour is crucified next to crooks
Every human being starts with two
Naughty looks
