

Taming of the Ram

The Glasspack

She came a knockin', I was on the floor.
Never ever ever seen her before.
Didn't matter cause she slipped right in,
& I knew I could never win.
Never seen her before, never ever at all.
Guess thatâ€™s what you get, when they mess with
your head.
Gonna mess with your head.
Ain't no, tamin' a ram, ain't no...
She was a takin', I wasn't thinkin.
This twisted heart was just a breakin.
Didnâ€™t matter cause I live in sin.
& I know Iâ€™ll never win.

Never knew it before, never ever at all.
Guess thatâ€™s what you get, when they rip off your
balls.
They gonna rip off your balls.
Ain't no, tamin' a ram, ain't no...
Goâ€™
Ain't no, tamin' a ram, ain't no...
