

# When It Rains It Really Pours

Elvis Presley

You know what it takes,  
You've got it, baby.  
You are the only one I chose.  
Don't leave me here with all these heartaches, Only you and heaven knows  
About my troubles troubles troubles.  
When it rains, it really pours...  
You shouldn't have took away my loving You know you thrill me from head to toe.  
I got a feeling for you baby  
And you're the only one who knows  
About my troubles, troubles, troubles. When it rains, it really pours...  
You know what you did to make me love you  
You really opened up my nose.  
You got what you wanted, now you left me.
