

# Butterfly (Album Version)

## Crazy Town

Come my lady  
Come come my lady  
You're my butterfly  
Sugar baby  
Come my lady  
Come come my lady  
You're my butterfly  
Sugar baby  
Such a sexy, sexy pretty little thing  
Fierce nipple pierce you got me sprung with your tongue ring  
And I ain't gonna lie cause your loving gets me high  
So to keep you by my side there's nothing that I won't try  
Butterflies in her eyes and looks to kill  
Time is passing I'm asking could this be real  
'Cause I can't sleep I can't hold still  
The only thing I really know is she got sex appeal  
I can feel too much is never enough  
You're always there to lift me up  
When these times get rough I was lost Now I'm found  
Ever since you've been around  
You're the women that I want  
So yo, I'm putting it down.  
Come my lady  
Come come my lady  
You're my butterfly  
Sugar baby  
Come my lady you're my  
Pretty baby ill make your legs shake  
You make me go crazy  
Come my lady  
Come come my lady  
You're my butterfly  
Sugar baby  
Come my lady you're my  
Pretty baby ill make your legs shake  
You make me go crazy  
I don't deserve you unless it's some kind of hidden message  
To show me life is precious  
Then I guess it's true

To tell truth, I really never knew  
I'll I met you I was lost and confused  
Twisted and used up  
Knew a better life existed but thought that I missed it  
My lifestyle's wild I was living like a wild child  
Trapped on a short leash paroled the police files  
And yo, what' s happening now?  
I see the sun breaking shining through dark clouds  
And a vision of you standing out in a crowd.  
Come come my lady  
You're my butterfly  
Sugar baby  
Come my lady you're my  
Pretty baby ill make your legs shake  
You make me go crazy  
Come my lady  
Come come my lady  
You're my butterfly  
Sugar baby  
Come my lady you're my  
Pretty baby ill make your legs shake  
You make me go crazy  
Come my lady  
Come come my lady  
You're my butterfly  
Sugar baby  
Come my lady you're my  
Pretty baby ill make your legs shake  
You make me go crazy  
Hey sugar momma, come and dance with me  
The smartest thing you ever did was take a chance with me  
So, what ever tickles your fancy  
Girl it's you like Sid and Nancy  
So sexy, almost evil  
Talkin' about butterflies in my head  
I used to think happy endings were only in the books I read but  
You made me feel alive when I was almost dead  
You filled that empty space with the love I used to chase  
And as far as I can see it don't get better than this  
So butterfly, here is a song and it's sealed with a kiss  
And a thank you miss.  
Come and dance with me  
Come and dance with me  
Come and dance with me  
So come and dance with me
