

I Can't Wait (Be My Wife)

[Ben Rue](#)

The way you curse when we're in traffic
A million flavors of your Chap Stick
The way that you keep my heart captive

The Journey concert in AC
Remember we sang "Faithfully"
I've still got that old hotel room key

This is the way I feel

I can't wait for you to be my wife
To live this life together
And I won't let you go
I need you to know
That you are my heart forever
And on and on and on

The way you like to sing my songs
You always know when something's wrong
The way you say you miss me when I'm gone

The things you do to show you care
You're always down for Truth Or Dare
Freeze this moment
Let me stop and stare

Nothing before was real
This is the way I feel

I can't wait for you to be my wife
To live this life together
And I won't let you go
I need you to know
That you are my heart forever

And on and on and on
Yeah, we'll go on and on and on

For better or for worse
No matter how it hurts

Youâ€™ve got me to hold your hand
I promise you the world

And, in your wedding dress
Weâ€™ll dance â€˜til no oneâ€™s left
I donâ€™t want to blink my eyes
I donâ€™t want to miss a thing

I canâ€™t wait for you to be my wife
To live this life together
And I wonâ€™t let you go
I need you to know
That you are my heart forever

I canâ€™t wait for you to be my wife
To live this life together
And I wonâ€™t let you go
I need you to know
That you are my heart forever

And on and on and on
Yeah, weâ€™ll go on and on and on
