

Activity Grrrl

Joan Jett and the Blackhearts

Yeah, yeah, yeah
She works real hard to try and make things right
To see if she can find a reason for what's wrong in life
She puts her thoughts into magazine form
And passes them all around her dorm
Showing me another way, another way to fight
Activity Grrrl, trying to change the world
She's gonna knock on your door
Activity Grrrl, in an uptight world
She's impossible to ignore
She spends her days involved in community things
And at night she goes out to a club where she likes to sing
She teaches so the others will know
There's more beneath the skin that doesn't show
And she's looking at the challenge that tomorrow's bringing
Activity Grrrl, trying to change the world
She's gonna knock on your door
Activity Grrrl, in an uptight world
She's impossible to ignore
Hopes to fix the problems that come within her space
And takes hurting people real serious, you can see it on her face
She can't accept that life is unfair
She wants to think that others care
And won't go away, she's gonna stay right in your face
Activity Grrrl, trying to change the world
She's gonna knock on your door
(I've got a gun, I've got a gun)
Activity Grrrl, in an uptight world
She's impossible to ignore
Activity Grrrl, trying to change the world
She's gonna knock on your door
Activity Grrrl, in an uptight world
She's impossible to ignore
Shit, yeah
