

# Now It's Your Turn

## Deer Tick

If you see  
my reflection  
In the goal  
that guides your roadWe could be  
our invention  
Running from  
Letting goBut our eyes  
make bridges burn  
Those nights  
are all we've earnedWell I'm alone  
Here's my heart  
Now its your turn.Well if you need  
an opinion  
Or some cash  
to make your rentWell I could be  
your addiction  
Talk is cheap  
Well that's itAnd our eyes  
make bridges burn  
Those nights  
are all we've earnedWell I'm alone  
Here's my heart  
Now its your turn.If you see  
my reflection  
In the goal  
that guides your roadWe could be  
our invention  
Running from  
Letting goBut our eyes  
make bridges burn  
Those nights  
are all we've earnedWell I'm alone  
Here's my heart  
Now its your turn.
