Gucci, Gucci, Gucci, Gucci

Gucci, Gucci, Gucci, Gucci

Gucci, Gucci, Gucci, Gucci I'm hearing rumors that my label 'bout to drop Gucci

In my convertible 'Rari they call me Drop Gucci

Rappers having conventions on how to stop Gucci

They know my Glocks sing my hooks and we call it pop music

We call it pop music, we call it pop music

My choppers sing all my hooks and I call it rock music The studio in the house, so we making house music

Come ride with me through the six and see how the South do it

'Cause I got old (?) but I'm on old (?)

But I'm so East Atlanta, still got all my old hammers

Take my 44 handle, shot through the door panel

Fuck all that rap beef, let's have a gun battle I'm hearing rumors that my label 'bout to drop Gucci

In my convertible 'Rari they call me Drop Gucci

Rappers having conventions on how to stop Gucci

They know my Glocks sing my hooks and we call it pop music

We call it pop music, we call it pop music

They know my Glocks sing my hooks and we call it pop music

We call it pop music, we call it pop music

My choppers sing all my hooks and I call it rock music I think it's funny how y'all think 'cause y'all don't really

know

These niggas acting like they ballin' but they really broke

The trap God, I make it rain and I make it snow

I use my money as a blanket, it was bitter cold

In Buckhead in a drop head, pulled me over Lennox row

Versace slippers with the matching sunglasses and robe

I bulletproofed the Sprinter 'cause I got a hundred foes

I spent a million, so how the fuck I'm not gonna get parole?

I feel like Lester Coke, 'cause I don't touch the dope

You feel like lesser man, you took the oath and told the folks (snitches)

Don't think that I don't know they wish I was on death row

But imagine how these crackers feel that I moved next door I'm hearing rumors that my label 'bout to drop Gucci

In my convertible 'Rari they call me Drop Gucci
