

Heavy Rotation

Ciara

Oh, I, oh, I, yeah, yeah, yeah
Turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up I don't want anybody to know
How much my body craves you
Every time I come around you I know you got people over, chilling on your sofa
I love watching you watch the game when its over
I hope that you're thinking the same
so what it do? I'm trying to have a private party in your room
I'm feeling kinda naughty, how about you?
we can turn your bed into a dance floor
Just lock your door, put on your radio Now turn it up, turn it up, turn it up, turn it up
I don't want them to hear what we're doing
So wont cha turn it up, turn it up, turn it up, turn it up
I'll be screaming so loud, don't you dare turn it down Turn it up, turn it up, turn it up, turn it up
Baby, you can put it on me to your favorite song
Turn it up, turn it up, turn it up, turn it up
It's a heavy rotation, all night long All night long, heavy rotation
All night long, all night long, all night, all night long
All night long, all night long I don't normally do this
But I'm breaking all the rules tonight
Yeah, it feels so right, every time I come around you
I know people are outside our door
I wanna be loud, baby, you going to make me bring it out
So what it do? We got something like a party in your room
I'm feeling kinda naughty, how about you?
We can turn your bed into a dance floor
Just knock your door, put on your radio Now turn it up, turn it up, turn it up, turn it up
I don't want them to hear what we're doing
So just turn it up, turn it up, turn it up, turn it up
I'll be screaming so loud, don't you dare turn it down Turn it up, turn it up, turn it up, turn it up
Baby, you can put it on me to your favorite song
Turn it up, turn it up, turn it up, turn it up
It's a heavy rotation, all night long Turn it up, baby, I know you want me
I need your L-O-V-E
So baby work it on me, on me, yeah Turn it up, turn it up, turn it up, turn it up
I don't want them to hear what we're doing
So just turn it up, turn it up, turn it up, turn it up
I'll be screaming so loud, don't you dare turn it down Turn it up, turn it up, turn it up, turn it up

Baby you can put it on me to your favorite song
Turn it up, turn it up, turn it up, turn it up
It's a heavy rotation, all night long
So turn it up
