

My Baby

Rosey

I love, I love, I love my baby
You know he is the only one for me
My baby he's the cutest little baby
Yeah, uh huh, ooh ooh baby I love, I love, I love my baby
You know he would do anything for me
My baby he's the sweetest little baby
Yeah, uh huh, ooh ooh baby
Yeah yeah, uh huh, ooh ooh baby Baby when you take me out on the town
I swear I'm the luckiest girl around
And baby when you take me home with you
I will make you the happiest boy too I love, I love, love my baby
You know he is the only one for me
My baby he's the sweetest little baby
Yeah, uh huh, ooh ooh baby Yeah yeah, uh huh, ooh ooh baby
Yeah yeah, uh huh, ooh ooh baby
Yeah, uh huh, ooh ooh baby
Yeah, oh my baby
Yeah oh yeah, love my baby
Yeah, yeah, yeah, yeah, yeah My baby is the sweetest, the roughest, the toughest
He's the biggest, the baddest and the
Ooh he's not me, no, he's sweet than me
My baby, my baby, my baby
I love my baby all the time, oh
Ooh my baby
